2022

Bodenham
A R B O R E T U M
AND VISITOR CENTRE

We are very pleased to be invited to cater for your special day. Above all we want to give you a very personal and memorable occasion. We cater from the traditional to the more unusual and we are always open to your ideas and requests. This pack and booking form will provide general information but we recommend an informal meeting with the catering manager.

A wedding celebration may be booked for a minimum of 25 guests and the final number advised must be paid for. **(Final numbers to be confirmed 48 hours in advance)** The room can accommodate approximately 100 guests for both the cold buffet and the hot carvery.

A non-refundable deposit of £500 is required with the booking form to secure the reservation. All menu prices include the entrance to the Arboretum and V.A.T. There is no separate room charge.

Times available

A very important point to consider when planning your wedding is that we are open to the public until 5pm all year round, every day throughout the year. During these days the wedding celebration cannot begin before 5.30pm. We are open to the public late nights on Thursday evenings during May, June, July, August and September when we would not be able to hold a private function.

Drinks

We do have a drinks license but there are several options open to you. You may of course supply all the drinks for your guests. We can take beer and wine into our storage the day before or on the day and put what is necessary into our chillers, ready for the following day/evening. We request that you bring the drinks and anything else that we need for the occasion before 10am. Another option is to hire the 'Bodenham bar' that can be situated outside on the terrace. We can supply soft drinks, fruit juices, and fruit punches if you require them. There are a variety of glasses that we can supply free of charge (*wine, water, champagne, hi-ball and pint.*) A jug of iced water is provided on every table.

Bodenham Bar

We are licensed and can supply a bar to include barrels of local ale, wines, lagers, ciders and spirits. The Bodenham Bar is required to take £1500 pounds, if not the client will be charged the difference. If you need a bar but would like to supply the drinks yourselves this can also be arranged at a charge of £150 per bar unit. Please note: the use of the bar needs to be arranged with the catering manager. The Bodenham Bar is required to take £1500 pounds, if not the client will be charged the difference.

Room Decorations

You are most welcome to decorate the room and pillars yourselves or we can do it for you. All the pillars (*except one*) have a look so it is easy to hang a display.

Wedding Cake

We can provide a wedding cake made up of individual fairy cakes in the colours and theme of your wedding. Please see our photographs, we charge £4.00 - £4.50 per cupcake, which includes the stand and decorations. **We also have some contacts available to make wedding cakes if you require.**

Table Linen

We can provide ivory table linen hire at a cost of £5.00 per cloth and £2.00 per napkin. One cloth covers one table.

Outside Catering

Please be aware that we do not accept any outside catering inside the Visitor Centre. Very often relatives would like to supply canapés or desserts for example, but for standards and 'Health and Safety' considerations we can **only serve our own food**. We do however accept outside catering when it is outdoors i.e. Pig Roasts and BBQ's. If you wish to hire outside caterers for part of your wedding catering then we charge a site fee of £150.

The Wedding Carvery

Please be aware that time must be allowed for your guests to be served at the carvery. As a rough guide, it takes about 30 – 40 minutes for 50 people and 45 – 60 minutes for 100 people. It is very dependent on how quickly your guests help themselves to vegetables.

Guided walks

Guided walks are always recommended for groups. For a wedding party it might be a pleasant way to see the Arboretum and use time before or after the meal is served, which adds to the special occasion. They are at a relaxed pace mainly on flat ground and last for approximately one hour. The walks are very informative and are generally taken by James Binnian, owner and co-founder of the Arboretum. Groups who have been on walks frequently comment how their visit has been made more enjoyable with a greater understanding of Bodenham. The cost of the guided walk is £35.
